- Set dimensions (W x H x D): 265 x 310 x 355 mm
- Main speaker dimensions (W x H x D): 210 x 310 x 235 mm
- Packaging dimensions (W x H x D): 619 x 410 x 474 mm
- Weight incl. Packaging: 11.7 kg

Product highlights

2x40W RMS/1500W PMPO

Bass Reflex Speaker System
Bass Reflex Speaker System delivers a deep bass experience from a compact loudspeaker box system. It differs from a conventional loudspeaker box system in the addition of a bass pipe that is acoustically aligned to the woofer to optimize the low frequency roll-off of the system. The result is deeper controlled bass and lower distortion. The system works by resonating the air mass in the bass pipe to vibrate like a conventional woofer. Combined with the response of the woofer, the system extends the overall low frequency sounds to create a whole new dimension of deep bass.

3 VCD Changer

30 hours of MP3-CD music

40-preset digital tuning

Dual Logic Tape Deck

Digital Sound Control
Digital Sound Control offers you a choice of pre-set Jazz, Rock, Pop and Classic controls you can use to optimise the frequency ranges for different musical styles. Each mode uses graphic equalizing technology to automatically adjust the sound balance and enhance the most important sound frequencies in your chosen music style. Ultimately, Digital Sound Control makes it easy for you get the most out of your music by precisely adjusting the sound balance to match the type of music you are playing.

3-step Dynamic Bass Boost

Karaoke
The Karaoke feature on your DVD player provides endless entertainment and maximum audio and singing enjoyment.You can enhance your performance by adding an 'echo' effect to your voice. The key controls allows you to choose the optimal key for your personal vocal range.
